

## **Attending DFI49? Visit Ram Jack in Booth #107!**

Ram Jack, a leader in the foundation repair industry for over 40 years, is excited to announce their attendance at the DFI49, the 49th Annual Conference on Deep Foundations in Aurora, Colorado from October 7-10, 2024. The theme of this year's event is Water, Resiliency, and Infrastructure.

Those attending the conference are encouraged to stop by booth #107 and visit with the Ram Jack team about products, installation techniques, and to learn how Ram Jack can become an invaluable solution for your next project. The exhibit hall will be open on Tuesday, Wednesday, and Thursday.

“We look forward to continuing to support the helical pile industry and offering innovative ways to serve the needs of commercial contractors, engineers, and installers everywhere,” says Derek McElroy, Director of Business Development for Ram Jack. “It’s exciting to be a part of the growth of the industry and offer outstanding products backed by the strength of our network.”
